INTELLIGENCE ADVISORY COMMITTEE

Request for Comment on Proposed Research
Project Entitled, "Future U.S. Problems
in the Satellite States"

1. In pursuance of cold war objectives the PSB has approved an external research project on "Future U.S. Problems in the Satellite States" (attached).

25X1

3. So that this study may be of maximum use to your agency, your suggestions for additions to or modifications of the prospectus will be appreciated. Please send them to the Secretary by Monday, 14 September.

JAMES Q. REBER
Acting Secretary
